DOMINION ORDERS IN COUNCIL.

[3120]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 19th day of December, 1916.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS an application has been filed with the Department of the Interior by the Corporation of the City of Salmon Arm, British Columbia, for the reservation from homestead entry, sale, or other disposition which would endanger the waters of East Canoe Creek to contamination cer-

tain areas lying within that watershed which is situated in Township 20, Range 19 west of the 6th meridian; and

Whereas a joint investigation on the entire situation has been made by the local Agent of Dominion Lands and the Divisional Engineer of the British Columbia Hydrometric Survey, who report that the areas applied for comprise the watershed of East Canoe Creek, from which the city's domestic water supply is obtained, and that they are of a rough mountainous character, generally unfit for agriculture, and should therefore be reserved by the Crown from any disposition which would be liable to affect the purity of the waters of the stream; and

Whereas the Corporation of the City of Salmon Arm have already secured from the Provincial Water Rights Branch at Victoria the necessary water rights for the diversion and use of the waters of East Canoe Creek for domestic and other purposes, and have constructed a pipe-line for the carriage of these waters to the town which is already in operation:

Therefore His Excellency the Governor-General in Council is pleased to order and it is hereby ordered that the following lands comprising that portion of the drainage basin of East Canoe Creek which are required in order to adequately protect the waters of this stream from contamination shall be withdrawn from homestead entry or sale; and further that if at any time it is desired to deal with any portion of the areas so reserved in connection with any undertaking, special authority from the Minister of the Interior must first be obtained, and any rights or privileges so granted shall be subject to such provisos and conditions as he may consider necessary in order that the purity of the water supply for the City of Salmon Arm may be retained:—

HIS Excellency the Governor-General in Council is pleased to order that the regulations governing the granting of yearly licences and permits to cut timber on Dominion lands, established by Order in Council of the 1st July, 1898, and subsequent Orders in Council, shall be and the same are hereby amended by adding the following thereto:—

1. In any case where waters flowing through, over, or along, or having their source in any timber berth, empty into any stream, or are tributary to any stream from which a domestic or municipal water supply is or may be obtained, or in any case where the pollution of any such waters may, in the opinion of the Minister, deleteriously affect any municipal or domestic water supply, the licensee of such timber berth shall comply with the following regulations:—

(a.) Locate all camp buildings, outhouses, cess-pools, and other structures at a sufficient distance from any stream, lake, or other source of water supply to prevent the pollution of such municipal or domestic water supply:

(d.) Prevent the depositing or leaving by any person employed or purporting to be employed about the berth, or the accumulation as a result of any operations carried on by reason of the licence in any stream, lake, or other source of such water supply on any Dominion lands whatever, or in an exposed or unsanitary condition on any such lands, any such debris or substance:

(e.) Observe all laws and regulations respecting sanitation and the protection of the purity of waters which are applicable to the premises, or any regulations which may be promulgated by the Governor in Council; and shall also comply with any requirements which may be made by the Minister for the purpose of carrying out the above provisions.

2. ja4 RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[3277]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 5th day of January, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated December 23rd, 1916, from the Minister of the Interior, submitting, with reference to an application received from the Kettle Valley Railway Company for a licence of occupation of that portion of the Fraser River, adjacent to the company's right-of-way on either side thereof, which is required for a bridge site, and which is described as follows:—

"That certain parcel or tract of land and land covered by water situate in Section 16, in Township 5, Range 26, west of the 6th meridian, in the Province of British Columbia, and which may be more particularly described as follows:—

"Bounded on the east and west by the ordinary high-water marks on the left and right shores respectively of the Fraser River, and on the north and south by lines parallel to and perpendicularly distant fifty feet on opposite sides of the centre line of the right-of-way of the Kettle Valley Railway, the said parcel containing by admeasurement one acre, more or less, all according to the plan of the right-of-way for a bridge site of the Kettle Valley Railway approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, and dated at Ottawa on the 3rd day of August, 1915, a copy of which is hereto attached."

The Minister states that the site and the plans of works as submitted by the company have been approved by the Department of Public Works in accordance with the provisions of "The Navigable Waters Protection Act," chapter 115, R.S., 1906, amended by chapter 44, 9-10 Edward VII., and that blue-prints of these plans have been filed in the Department of the Interior.

The Minister, therefore, recommends that he be authorized to issue in favour of the said Kettle Valley Railway Company a licence of occupation for that portion of the bed of the Fraser River which is described above, the said licence to be for such time as the company may require the same in connection with the operation of the railway and for which annual rental of \$1 shall be paid to the Department of the Interior.

The Committee concur in the foregoing and submit the same for approval.
